

Chicago Way

1. Refrain

I'm going back – back the Chicago way - **2x**
Where the music is allways groovin'
And the Windy City knows how to play

2. Strophe:

I went down to L.A. --- and San Fransisco Bay
I'm on my own in a Bluesbar --- up the Seatle way
I hong out in the mountains --- in Carolina too
And when I had to get down
You know I'm in tune

Refrain

3. Strophe:

I went down to Texas --- and Austin City too
Walked to Oklahoma --- where the cowboys got the groove
I've played in Kansas City --- and Mineapolis town
But when i have to be found
There's only one town

Refrain

4. Strophe:

I've down to Miami --- when my luck n' rock is groove
I wound up in Orlando --- Where Mickey is in a move
Up my way to Atlanta --- with my getto blaster sound
But when I have to leave you
There's only one town
