

Diggin' my Potatoes

1. Strophe:

You don't love me, baby, just like I love you-----2x
If you loved me, woman, you wouldn't have me standin' 'round cryin'
I was walking out the back door, when somebody else was tippin' in-----2x
Lord, it hurt so bad, to hear him call your name

2. Strophe:

Somebody's digging my potatoes, trampin' on my vine-----2x
You know I feel so bad, people, ain't it a cryin' shame
Keep on steppin', mama, don't come around my house no more-----2x
Lord, I'm so glad to see you walk right on by that door

3. Strophe:

Lord, I need somebody, to hold me in their arms-----2x
Lord, just make me feel so good, please don't let me cry no more
Lord, I'm moving, yes I'm moving, movin' on down the line-----2x
I got a real funny feeling', li'l girl I won't use you no more
