

Rambling on my Mind

1. Strophe:

I got ramblin'---I got ramblin' on my mind
I got ramblin'---I got ramblin' all on my mind
Hate to leave you baby---But you treats me so unkind

2. Strophe:

I will never---will never forgive you anymore
I will never---will never forgive you anymore
You didn't want me baby,---Why did you tell me so?

3. Strophe:

And I'm runnin' down to the station
catch the first mail train I see-----(I hear her comin' now.)
And I'm running down to the station
Catch that old first mail train I see
I've got the blues about Miss So-and-So
And the child got the blues about me

4. Strophe:

An' they's devilment---She got devilment on her mind
She got devilment---Girl, you got devilment all on you rmind
Now I got to leave this mornin'---With my arms a-fold'up and cryin'

5. Strophe:

I believe---I believe my time ain't long
I believe---I believe that my time ain't long
But I'm leavin' this mornin'---I believe I will go back home
