

## **She's nineteen Years old**

### **1. Strophe:**

I'm gonna say somethin' to you  
I don't care how you feel  
You just don't realize  
You got yourself a good deal  
She's nineteen years old  
And got ways just like a baby child  
Nothin' I can do to please her  
To make this young woman feel satisfied

### **2. Strophe:**

I'm gonna say this to you  
I don't care if you get mad  
You about the prettiest little girl  
That I ever had  
She's nineteen years old  
And got ways just like a baby child  
Nothin' I can do to please her  
To make this young woman feel satisfied  
(What kind of woman is that?)

### **3. Strophe:**

Can't ask her where she's going  
She tells me where she's been  
She starts a conversation  
That don't have no end  
She's nineteen years old  
And got ways just like a baby child  
Nothin' I can do to please her  
Whoah, yeah!  
Whoah, yeah!  
Whoah, yeah!  
To make this young woman feel satisfied
