

Soon as I get paid

1. Strophe:

Ring-a-ling with the telephone
Is the man of the house home
Your master card is overdue
We need a payment from you
Right now, right now
Right away
I ain't got nothing to send you today
But I'm gonna give you all your money
Soon as I get paid, soon as I get paid

2. Strophe:

The joint was jumping, it was Saturday night
Her hair was long, and her dress was tight
I looked at her, she looked at me
And the champagne started flowing, till a quarter to three
Look Mr. Bartender, i'm gonna make it okay
I'll give you all your money
Soon as I get paid, soon as I get paid

Bridge:

Monday morning, money's gone
It's a doggone shame
Don't worry, i'll get you straight
We'll be fine
You'll get yours, when I get mine

3. Strophe:

Got a letter, from the IRS
Saying your tax return, is a terrible mess
We want our money, we don't like to wait
Please come in and see us, on such and such a date
Right now, right now, right away
Don't get crazy, don't try no mess
Or we'll take all your money
Soon as you get paid, soon as you get paid
